PRESIDENT'S CORNER

HAPPY NEW YEAR to all and to all a year that brings you Joy, Peace, Health and Happiness. We hope everyone had a wonderful Christmas and that 2017 will be an exciting one for you with us at TRY. To start the New Year out, we need to remember to thank all of the dedicated officers and board members and especially our numerous volunteers for unselfishly giving their time and creativity to operate so many activities and events for all the TRY members to enjoy. There are also many organizations and individuals like yourselves that support us during the year, and to all, on behalf of TRY, we thank you. There are many upcoming activities for you to take note. The Bowl-A-Thon is right around the corner. This activity has been changed from a fundraiser to an event, however there remain prizes for the most pledges and donations. Athletics Day is approaching. We would like to see more members in attendance. It is a great deal of fun and what better way to get plenty of exercise at the same time. We are pleased about our new location for our Prom this year. Make note of all the changes for this event and be sure to sign up to make these great activities. We hope to be seeing you around!!!!
