PRESIDENTS CORNER

Happy New Year!! We have 20/20 vision about the excitement of this year. It is so special. TRY will be celebrating its 50th anniversary; the golden one. This is quite an accomplishment for a small, local, non-profit charitable organization. We are honored to follow two great past presidents that we believe are golden because they both still believe wholeheartedly in this organization. Their names would be Ralph Kirsch and Dave Yuko. No one knows where TRY would be without them nor our many devoted Board members both past and present. "Many, many thanks to all of you". As co-presidents, Patti Sinetar and Debbie Allerton, it means so much to us to be part of this organization.

In this 50th year, TRY special needs plans on celebrating each month with something new and exciting; large and small. Please refer to our website www.TRYspecialneeds.org for special additions to the schedule. As the Board continues planning, keep in mind our 50th year starts in January and culminates in December of 2020. We hope you will be as excited as we are about this year. One way to show that excitement would be to thank our Board members when you see them and tell them 'nice job'. Of equal importance, be sure to thank our volunteers. They are the vehicle by which our plans are driven forward. However, the best way to so that excitement is by attending as many functions possible. There would be no organization without YOU!!!!!!
