President's Corner:

Happy New Year everyone.

We are back!!!!!! We have missed everybody's smiling faces. It has been a tough couple of years for all of us and we are happy and excited about moving forward with our regular schedule. The schedule can be found on the website, TRYSpecialNeeds.org. Be sure to check there for any activity updates. Also, regarding the schedule..... just clarification. If you are on our mailing list, you are registered for TRY in general; no need to fill out any paperwork. However, some activities printed in red ink do require a registration form. A letter will be sent out for that specific function which will prompt you to complete the form enclosed with the letter. If you miss the return date, email us at tryspecialneeds@gmail.com

We had a nice turn out for the first few dances and craft nights. Big Ed and Frank were the dance DJs and Debbie always has great crafts plotted out. With that being said, we are hoping to see more of our old friends as our activities start picking up pace. It has been way too long without seeing you.

On our off time, we did some work on everyone's information; you may have received a call or email. We are updating addresses, phone numbers, and where applicable, staff and group home addresses and information. Although we have made good head way, we are not at 100% yet. We do hope you are getting our mailings and if you know of anyone that has not, please let us know at our email address, tryspecialneeds@gmail.com or share your information with them.

At the annual Board election, we welcomed a number of new members which we look forward to working with at TRY. TRY's new Board members: Maura Berger, Michelle Switala, Kelly Metsgar, and Bridget Chufo. We would like to thank the Board members leaving us for their generous time and service to help make TRY so great. Thanks to: Clark McManus, Dave Yuko, Marleen Karl, Rob Ruby, Kaitlin Hoch, and Lisa Wilson.

Please let us know if there is anything we can do for you in 2023.

Debbie and Patti – co-Presidents
